### Flume Trail Out & Back Ride Details

#### Challenge:

Steep sustained climbs with long high speed descents in North Canyon and to Marlette Lake. The Flume itself is narrow in sections with soft sandy spots, and two hike-a-bike locations. Not for riders who are fearful of heights as you ride on the edge 1,800' above the Lake. **Caution:** stop riding to look at the vistas.

#### Trailhead:

At the junction of US Hwy 50 and NSR 28 is a large parking area you can use or you can drive into the State Park and pay a fee. There are restrooms, picnic areas, and a bike rental shop at the park.

**GPS: 39.109864, -119.922368** (Spoooner Lake, Lake Tahoe Nevada State Park)

**GPS: 39.172660, -119.906876** (Marlette Lake Dam- Flume Trailhead)

#### The Ride:

This ride has been voted one of the Top Ten Mountain Bike Rides in the U.S. The vistas are unparalleled and you will see them from different perspectives as this is an Out and Back ride. Begin your ride at the park where you will find water, basic snacks and a bike shop with rentals. You will head out on a double track road and begin climbing through North Canyon, 4 miles, on your way to Marlette Lake - a beautiful high alpine lake perfect for a picnic and photography. Marlette Lake is a genetic pool for the native Lahontan Cutthroat Trout. Each year, the fish eggs are harvested and taken to fisheries to be raised and then repopulate other regions where they were once native. In th
